## **CNC SKILLS TRAINING DEVELOPMENT SERVICES**

### **Learner rules and responsibilities:**

- Prove commitment towards learning in terms of participation in experiential and formal training interventions by 100% attendance.
- Learners must adhere to the rules, policies and procedures of the organization at all times.
- Submit reports to the facilitator and/or Assessor for evaluation and inclusion in Portfolio of evidence.
- Ensure that exit level outcomes are completed in time to avoid administration logistics.
- Compile, update and submit a Portfolio of evidence for assessment as and when required by the Facilitator and Assessor
- Formative and Summative Assessment Evidence documents must be collected and monitored during process of learning and results will be kept in portfolio files and these will be moderated.
  - The learner must fully understand the objective and outcomes of the project and agree to abide by all requirement/criteria as set out in the mandatory documents from CNC MILLING SKILLS TRAINING DEVELOPMENT SERVICES to regulate conduct and execution of the above-mentioned tasks.
  - The learner must acknowledge CNC MILLING SKILLS TRAINING DEVELOPMENT SERVICES right to withhold and even disallow participation if any information supplied by the learner is inaccurate or incomplete.
- Learner will sign this form to commit themselves to learning and not divulge any information to the third party without the concern of the provider, failure to do so will result in the company taking disciplinary measures against the learner.
